Marketing & Communications Internship Application

The Gazette Charities Foundation internship will provide experience that promotes the application of the knowledge and skills a student has gleaned through their educational coursework in a real-world nonprofit setting. The student selected for this program will participate in the day-to-day facets of working with a nonprofit marketing team to include, but not limited to social media management, communications, event management, fundraising, networking and community outreach. Through this internship experience, the student will receive practical feedback and support from site-level supervisors.
